

Beautiful blue skies all weekend.

Saturday was practice and qualifying day. All going well except for Conor's B which broke its clutch putting him out for the weekend – even for Conor, this was a repair job too much on the day.

Jackie, Gareth, Mark finishing 1,2,3 in both races held on Sunday.

Fastest laps were shared by Jackie in R1 while Gareth took that honour in R2.

Clive in the Lotus 47 was going well finishing 4th in both races, Billie in his Crossle 9S had gear selection issues in R1 resulting in a DNF, and decided to spin in R2, but based on fastest lap times, could have been 3rd and was within a second of even better.

There were only 2 cars in the handicap section – Kevin first each time in Conor's Midget, with Derek in his 2nd outing with us a steady 2nd.

The Gareth Maxwell Trophy was awarded by Clerk of the Course Gary Manning to Jackie Cochrane.

Full results and Championship Points standings will be in the 'Results' section of our website.
